

## **'Bike Power' – Diss Tracks for Bike Tracks**

### *The lyrics*

Alex: So this track isn't *against* bike tracks, it's *for* bike tracks.  
Matt: Because they can't do it themselves.  
Alex & Eva: Ha-ha-ha!  
Eva: Can we start already?  
Matt: Oh, come on, fine.  
Alex: Okay, fine!  
Matt: Wait, it's about to start, guys. Be quiet!  
Alex: 3,2,1 *go!*  
Alex: Well hello, Andrew. How's it going?  
How has your job been? Since it stopped flowing  
Did your dog write your speeches? It seems so  
Joey: WOOF!  
Alex: Well, how do they say it, what comes, has to go  
You've probably guessed, we're creeping up your back  
So here we are  
All: DISS TRACKS FOR BIKE TRACKS  
Alex: If we succeed you'll get the sack  
Don't come back, step back, we got what you lack: the facts!  
Joey: WOOF!  
  
Matt: In just our state, 10 die a year  
From people on bikes getting hit, you hear?  
Maybe the lack of bike paths has a connection  
We're not going soft  
All: You deserve a correction!  
Matt: Let me tell you something:  
My bike runs on fat and  
Alex & Matt: saves me money!  
Matt: Your car runs on money and  
Alex & Matt: makes you fat!  
Matt: Gas from your cars, we're never coming back!  
  
All: BIKE POWER!  
(Matt: Gas from your cars, we're never coming back!)  
Eva: Just stand up ^ don't be a  
Alex & Eva: coward!  
Eva: This is our  
Alex & Eva: opportunity!  
(Matt: Gas from your... x5)  
Eva: To support our
